

Operation Clean Sweep®

Our company acknowledges the importance of avoiding loss of plastic pellets and we commit our company to implement and work consecutively with **Operation Clean Sweep®**.

We will enter **Operation Clean Sweep®** as partner and actively work towards zero pellet loss. We will identify and implement changes. We commit our company to:

- Improve the company's internal design
- Develop and maintain internal procedures
- Educate employees
- To conduct audits and follow-up actions
- Comply with all laws and regulation regarding pellet loss
